Tomorrow, Tuesday, April 30, a national student referendum, Choice '68, sponsored by Time-Life and Univax, will be held on this campus. The purpose of the ballot is to obtain information from students about their presidential preferences and their feelings about the Vietnam war. Although a majority of students at Bennington agree on these issues, we are participating in the voting to be included in the national statistics, since Choice '68 is being conducted on over 1,000 campuses throughout the country.

There have been many changes on the political scene since the ballots were originally formulated. The ballots were unable to be reprinted, however, since many of them had already been shipped and they had to remain uniform. On the presidential preference question there will be room for a write-in candidate. On the referendum questions no write-ins will be tabulated.

Voting will be held in Commons tomorrow from 8A.M. to 2 P.M. Please make sure you take the time to vote.
