Dr. Frederick Burkhardt
President
Bennington College
Bennington, Vermont

Dear Mr. Burkhardt:

Thank you so much for your kind and encouraging note about the Report on Art. I got it in Key West where we stayed for a while before coming to this much warmer place. We saw a good deal of Ben Belitt and it is my feeling that, if you can make some Bennington faculty envious with some of our stuff, it works the other way around too.

Both Mrs. Hirsch and I like to tell you that it was a lot of fun to pilot you around during your visit and we hope to have the pleasure of seeing you again fairly soon. With our best regards

Sincerely,

Stefan Hirsch
