28 May 76

Dear Willie,

Yes, you do have my permission to
distribute the Dedication message.
If you use it, enclosed is the final
corrected version.

Best,

A handwritten signature in blue ink, reading "Helen Frankenthaler". The signature is fluid and cursive, with the first name "Helen" written in a larger, more prominent script than the last name.

If not in "Quadrille" then let's see
that the albums - all of them;
get this via a mailing...
