

10/16/67

Notice to the Bennington College Community

There will be an URGENT meeting tonight, Monday, October 16 (7:30 P. M. in Booth), for all those interested in attending the Washington mobilization next Saturday, or willing to contribute help (e.g., lending cars, giving financial support).

Those who need transportation to Washington MUST attend this meeting. The costs will be minimal. Anyone who is planning to drive down, who has room and is willing to supply transportation for a few others, please contact Sally Pischl (Box 360) immediately. We would appreciate the attendance of all those going to Washington with previous transportation arrangements as well.
