Dear Mrs. McCullough,

I am sending you two copies of your excellent history. I should like to suggest that you send a copy to Mrs. Joseph Swan and encourage her to comment on it and perhaps supplement it from her own experience.

I am asking you to do this only because I think Mrs. Swan will take the suggestion from you more readily than if I sent it to her.

I enjoyed reading it once again and I know that the other members of the Board will be most interested in it. I understand that you would like Mrs. J. Gardner Bradley to read it. I shall see that this is done.

With warm regards,

Yours sincerely,

Frederick Burkhardt
