

MARTHA GRAHAM, c.1924  
PHOTOGRAPH BY NICKOLAS MURAY

Dear Wendy, it was great to be there and particularly the last, unexpected evening when I became useful. the Blurb was duly copied the next day and will be stuffed into the relevant CQ's. We made 1000 by accident, far more than we need, and I suggested the extras be sent to you. I doubt my signature on them is relevant beyond the CQ mailing, but trimmed of that artifact they will be useful as announcements.  
See you at the opening!
