*On Writing the
Biography of
Nobel Laureate
Peter Mitchell*

Thursday,
October 11, 2001
8:30 pm
Tishman Auditorium

Free and open to the public
www.bennington.edu

DR. JOHN PREBBLE, Senior Lecturer in Biochemistry at Royal Holloway and Bedford New College of the University of London, and co-author—with Bennington faculty member Dr. Bruce Weber—of the upcoming scientific biography *Wandering in the Gardens of the Mind: A Life of Peter Mitchell and Glynn* (Oxford University Press), will discuss the life and work of the British 1978 Nobel Laureate in Chemistry.
