Dear Wendy,

I'm enclosing copies of the 3 reviews of JDT: 1962-1966 you requested, as well as my errata sheet. Obviously, mine is a bit skimpier than Barbara M.'s, but most of hers are either absurdly nitpicky or still under contention (Judson Memorial Church, Dark Horse Concert, etc.) Please tell me if you feel strongly about any I haven't included.

No news now about putting the show on a slow boat to London, but I'm not too worried since I haven't heard from Val Bourne yet either. Also, Bob would prefer to deduct insurance charges on the show from the catalogues bill, since our cash flow is down to a trickle until our 1982-83 budget takes effect.

Can't wait to see the errata sheet. Will I get my bonus after the crates leave the loading dock?

Best,

  
Dan Cameron
