Reflections on Term

- Excellent snacks
- Concert in the Rye was pretty great!
- Yay Greenhouse!
- Maple got a bit chaotic late in the season...
 - need more focus and more people "in the know"
- too much pigeon holing point people
- mini tours for new members (farm, blue trail, etc.)
- more free form/open discussion and brainstorming
- hold back and let others take on responsibilities
- mentoring/sustainabilibuddies? (informal)
- teaching sessions- staggered timing
- point people buddies
- Farm Olympics? (Carry water, chop wood, wheel barrow races, turn beds, scything)
- Ambassadors for people we're sourcing local food from to have meals with us in the Dining Hall
- GANAS- Milk with Dignity (let's keep up the connection)
- Apples! Cider! Orcharding with Nate!
- Grapes?
- Juice at the coop!
- Cob oven!
- Hand cranked ice cream machine!
- Tiny House- let's take the windows and renovate the shed (due for demolition around graduation)

- Utopia
- Extend water line down to farm
- Improve visibility and inviting atmosphere
- Compliment circle
- We are exceptionally successful at rotating facilitation- way to go folks!
