Dear Elsa,

Lewis and I were delighted with the picture you sent us. It has long been framed and is hanging on Ba's wall. I have only just discovered that Lewis thought I had written to thank you for it and he thought I had. Now we both thank you very, very much and apologize for all the delay.

I understand that Stefan is going to Bard next year. That sounds fine and I hope you will both enjoy it. Perhaps you will be in Bennington before then. If so, I do hope we shall see you.

Very sincerely,

Barbara Jones
