Dear Paul,

I am enclosing a list of the Hofmann paintings, with the insurance valuations. Please note that only six of the pictures are for sale.

Am also enclosing three photographs from which you can make a selection. We shall appreciate your returning them to us.

As you told me on the telephone, this will confirm that the pictures will be fully covered by your insurance from tomorrow, April 28th, when they will be picked up from various places by Berkeley Express, until they are returned to Berkeley on May 25th, insurance to be extended beyond that date in the event of delay in delivery.

I will be driving up with the Hofmanns for the opening on the 15th, and would like to stay over Sunday and Monday nights, if you think you can find a pillow where I can rest my weary head. Sam is very sorry that he can't make it too, but somebody has to mind the gallery, and this time he's elected. I'm really looking forward to this excursion, and so are the Hofmanns.

Cordially,

Jane
