

QUANTUM LEAP

A program for students of all ages who are at risk of dropping out of school

ARE YOU THINKING ABOUT DROPPING OUT OF SCHOOL?

DO YOU FIND YOURSELF MISSING MANY DAYS OF SCHOOL?

HAVE YOU GIVEN UP ON YOUR GOALS FOR THE FUTURE?

DO YOU HAVE A FRIEND, A SON, OR A DAUGHTER WHO TALKS ABOUT LEAVING SCHOOL?

FREE INDIVIDUALIZED PROGRAM CAN HELP

The Quantum Leap program is a project that was developed to assist students in constructing an individual plan to further their education.

Quantum Leap is designed to help each student realize her or his potential, become a life-long learner, and complete a high school education.
