Seth would like to thank:

Mom and Dad, Gladden, Beck, Heather, Raven, Megan, Chris, the cast, and the caretakers of a small cabin in Norway.

Becki would like to thank:

Everyone who made this production possible; Megan "Saved-My-Ass" Peti; Rob "I Was Awake" Boyfriend; all my basketball-hugging, Cookie-Monster-lovin' rock ho's- "Where's my money?" And a very special thanks to the Bennington College Drama Non-Division for all they have shared (and put up with) in the past four years.
