Dear Fritz, thank you for asking me
to be the first Candace De Vries Olesen
Fellow and inviting me to be a guest at
your lovely "Ranch House".

My visit with you, with
the Dance faculty, students and old friends
was exciting. Returning to the college
after so many years was reassuring.
So much has been going forward here
without losing any of the home,

A series depicting months of the year in flowers
was issued by John Bowles about 1745 in London.
Each floral arrangement shows flowers available
in a given month. The twelve prints and their
accompanying title page are displayed in the
Essex Alcove.

the doings I associate with Pennsylvania.

Thank you for the honorarium
and transportation. I have been thoroughly
fascinated!

Wishing you all the best for the
completion of the year and a fine summer,
with warm regards,
