Dear Wendy Perron,

I just received your letter and wanted to reply immediately so you could firm up your plans. YES!! Of course let's meet. At present I have no plans for any of the dates you mentioned (25th, 26th or 27th of Feb.).

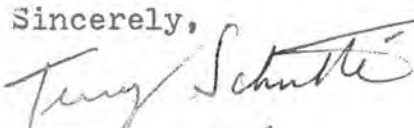

Did you want to meet in San Francisco or at my studio? If you would like to see photographs perhaps it would be best for you to come to my place.

Thanks for sending the NEA cover letter. By the way, what happens if the grant does not materialize? Will the exhibition happen anyway or is it dependent on the grant? Also, have all of my slides been sent with the grant application? If not, I would like them returned to me, or those that have not been sent, returned.

The entire Judson venture is very exciting and I am delighted to be a part of your proposed exhibition.

Looking forward to meeting you and seeing your performance.

Sincerely,

Terry Schutte
