

Report of Recreation Council Meeting - Oct.14,1940.

At the Recreation Council Meeting of October 14th, the Student Treasurer reported from the Community Chest Committee on the procedure of collecting for the soup fund to be sent ~~to~~ to the Red Cross. Mr. Leigh has taken charge of all activities which have to do with the Red Cross and will announce his plan for this matter later. Therefore the question is out of the hands of the Recreation Council in the future.

The only other matters discussed at the meeting had to do with definite plans ~~for~~ entertainment at the Election Party and the possibility of having beer. The Entertainment Committee will report on this at the next meeting and will recommend the simplest method of serving beer without selling it.

Respectfully submitted,

Florence Booker

Representative from Community Council
on Recreation Council.
