Dear Marie Claude,

I just got your note today, which you wrote on March 30! Answer, the cost of the Judson Exhibit for the museum is \$1,000 plus one-way transportation. The requirements are 400 running feet of wall space and a 3/4" video cassette deck and monitor. The dates that Patrick Bensard and Dan Cameron agreed upon are July 15 to August 10.

If you have any further questions, please call me at 212 966-0709, or Dan Cameron at the Grey Art Gallery during the day at 212 598-7603.

I do hope that this can be worked out.

Oh--the catalogs are on consignment: we will send you a certain amount, and you sell them at \$5 each, to be split 50/50 with us. When you send us the check for catalogue sales, you return the ~~xxxxxx~~ unsold catalogs also.
