\*Since the day I gave myself,  
my fate seems all in flower.  
I seem to be dreaming beneath a fairy sky,  
my soul still enraptured by that first kiss!  
What a wonderful life!  
My dream was not a dream!  
Oh, I am so happy!  
Love spreads its wings above me!  
In the garden of my heart a new joy sings!  
Everything vibrates, everything rejoices in my triumph!  
About me it is all smiles, light, and happiness!  
And I tremble deliciously  
at the delightful memory of the first day of love!  
What a glorious life!  
Oh, how happy I am! Too happy!...  
And I tremble deliciously  
at the delightful memory of the first day of Love!
