Dear Margaret,

I am sending you a copy of the transcript of Mrs. McCullough speaking on the early history of Bennington College. I think this is a remarkably fine document and I know you will want to read it.

Mrs. McCullough said she would like Mrs. J. Gardner Bradley to see it. Could you pass it on to her and later perhaps to John Gaus, and then keep it and show it to anyone else you think may be interested?

Yours sincerely,

Fred
