****REMINDER****

Jim McWilliams, who is a bookmaker, designer, and is presently teaching courses in printing and mixed-media at Cooper Union and the Philadelphia College of Art, will present a three-hour dance beginning at 12:00 midnight tonight in the Carriage Barn. The dance was first performed at the Avant-Garde Festival on the Staten Island Ferry in October of this year. There is an article on the Festival and a picture of Mr. McWilliams on the front page of the October 1 issue of the Village Voice. The community is invited to a party in the Carriage Barn at the end of the dance. The audience may come and go during the three hours as they like. Sponsored by Special Events.
