

# INTEROFFICE MEMO

Bennington College

Date May 18, 1966

To Mr. Pike

From Ralph Larson

Re: Warehouse

Due to the loss of warehouse space created by the proposed new houses in the orchard area and the space lost at the Ludlow property and the orders from your office to keep everything under lock and key for obvious security reasons, I now request a warehouse to be erected near the Maintenance Building. The warehouse would cost approximately \$10,000.
