

SUGGESTIONS FOR DEFENCE COURSES

- 1) First Aid - Health Committee
Certified Red Cross Courses, standard and advanced given at college. Instructors course given in town for students eligible.
- 2) Nutrition - Health Committee
Certified Red Cross course in Nutrition.
- 3) Motor Mechanics - Science faculty or senior
Certified Red Cross course given in town or at college.
- 4) Utility Course -
Modeled on Rosemary Hall plan. Covers work in plumbing, electricity, carpentry, objective - practical.
- 5) Work at the Red Cross in Bennington
Knitting, sewing, etc.
- 6) Map Work - Art and Science Faculty
Covers map interpretation, map making, drafting, possibly photography.
- 7) Photography - Miss Lambert or Mr. Park
Mostly general photography, especially group portrait work; movie work could easily be done and count 1/8.
- 8) War Economics - Mr. Mendershausen
Extra work by students already in this class or in branches of economics. Possibly resulting in a student panel discussion of War Economics.
- 9) C. A. A.
Given in Williamstown. 10 lectures by instructor from Washington. Would not entitle students to government credit. Cost - \$5 per person.
- ✓ 10) Agriculturalism - Mr. Woodworth
Work towards College self sufficiency on Bartlet farm.
- 11) Clerical Work - Miss Jones
Typing, shorthand, filing, bookkeeping, switchboard.
- 12) Radio Work - Miss Osgood, Mr. James, Drama and Science Faculty.
Voice, script and technical work. Possibly could use radio instruments in Williamstown.
- 13) Censorship - Literature Faculty
Language and code work. Cryptograms.
- 14) Government - Mr. McCamy
Extra work by students already in Government courses. Possibly 1/8 course in legislature and Current Events.

SUGGESTIONS FOR DEFENCE COURSES (cont'd)

- 15) Fire Equipment - Mr. Tschorn
Some badly needed practice by the heavy equipment squad under the W.V.S. drill plan.
- 16) Public Speaking - Music and Drama Faculty
Students in diction courses could do extra work.
Literature and Social Studies students practice oratory.
- 17) Nurses Aid -
Certified 100 hour course given by the Red Cross in town with practice in the Putnam Hospital.
- 18) South America - Social Studies Faculty
Study in South American relations, historical and contemporary.
- 19) Motor Corps and Transport -
Depends on the formation of such a group by local chapter of the Red Cross. Open to students with cars.
- 20) Languages - Literature Faculty
Special emphasis on German, French and Spanish.
Conversation and writing rather than literature.
Censorship work in mind.
- 21) Publicity and advertising - Art faculty and Mr. McCamy
Study in Public Relations, layout, advertising script and posters.
- 22) Target practice.
