

## A Poem Guide by Guthrie

AUGUST 22, 2017

A poem guide by literature faculty member Camille Guthrie of Robert Browning's dramatic monologue, "My Last Duchess," was recently published by the *Poetry Foundation*.

Guthrie, who has taught the poem in her "Ekphrastic Poetry" course at Bennington, says: "It's a marvelous poem as the poet reveals how violent men try to disguise their crimes in rhetoric, but fail and reveal themselves at every turn—even in the punctuation marks."
