Miss Marion R. Gunn
Student Government Association
Radcliffe College
Cambridge, Massachusetts

Dear Marion,

Thank you for the report on the
Seven College Conference. It is a very com-
plete and accurate job, and there are no
"glaring mistakes or errors".

Under separate cover I am sending
you copies of our new Bulletin, which con-
tains the revised curriculum, and of our Stan-
dards and Rules.

We had a very pleasant and interest-
ing time at the Conference last spring, and
the Bennington students who attended join me
in thanking you.

With best wishes for the continued
success of the Seven College Conference,

Sincerely yours,

SS

Miss Eleanor Metcalf

College Council
