

CHANGES IN THE OUTLINE BUDGET OF THE STUDENT FUND

By accepting the Outline Budget for the Fall term 1940 -41, the Community Council automatically approved the following changes in the Outline Budget for the year 1940 - 41:

1. The Community Council expenses have been changed from \$35.00 for the year to \$25.00 for the year.
2. The General Expenses of the Student Fund have been changed from \$10.00 for the year to \$20.00 for the year.

The Changes were made because:

1. The Council decided that it would not need the amount originally budgeted for its expenses.
2. The General Expenses Fund will have to cover an unexpectedly large item that was not counted on when the Outline Budget was made. (namely, the purchase of 2,000 Collectors' receipt slips.)

The changes were made on 24 September 1940.
