Mr. John Cheever
Cedar Lane
Ossining, NY

Dear Mr. Cheever:

We are delighted you'll be here on July 21 for the Prose Workshop. We've enjoyed the luxury of rejecting poor applications and certainly hope the thirty enrolled will give you a good time and workout.

My husband, Louis Calabro, and I hope you'll join us, with John Gardner and the Delbancos, for dinner the 21st. If that does not suit your travel schedule, do let me know and we'll rearrange the date. I've made certain it can suit your workshop schedule. If it's ok, no need to reply, we'll just look forward to meeting you then.

I hope your travels were exciting and that Ossining looked good to you on your return.

Best regards,

Christine Graham
Director
