

OFFICE OF THE PRESIDENT

November 30, 1988

MEMORANDUM

TO: Brockway Friends

FROM: Becca *2/15/*

The Brockways new Quasar color, remote-controlled TV is installed in their living room and a great success. The reception is super - cable, etc. Anne and Tyler Resch did the research and made all the arrangements for its delivery and installation. They also paid \$415.00 to Babcocks for the TV.

We want now to send a note to Tom and Jean with the names of those who gave them this marvelous machine. We think there are about 24 of us. If we are correct, that would divvy up into \$17.50 for each of us.

If you are one of the 24, will you send a check directly to Tyler Resch at RR1, Box 533, N. Bennington, VT 05257.
