

## DANCE WEEKEND

Since there will be an unusual number of guests at the College over the weekend of the formal dance, April 25th, it has been thought advisable to restate the procedures and standards that apply to such a weekend. In doing this the interest of all members of the community is considered.

- I. Students are responsible for the behavior of their guests.
- II. Men are allowed in student rooms only between the hours of 10 A.M. and 6:45 P.M.

III. Signing out

On Friday night a switchboard operator will be on duty until 12:00 o'clock. On Saturday night she will be on duty until 2:30 A.M. Anyone leaving the campus before this time should sign out in the Store. After this time the off campus record will be in the nightwatchman's hut.

IV. Liquor Policy

Since cocktail parties are being held in various houses it is assumed that they will take the place of all private parties. Therefore it is expected that no small parties will be held in student rooms.

The usual College regulations apply to the purchase and use of liquor.

The state law requires that all persons purchasing liquor shall be twenty-one years of age.

Objectionable conduct resulting from the use of liquor will not be tolerated by the community.
