Call for First-Year Forum Co-leaders Applications! Are you a 5th or 6th term student who would be a great academic mentor to incoming students? Please

consider applying to be a First-Year Forum Co-leader for the Fall 2021 – Spring 2022 academic year. Applications are available in Handshake. FYF student co-leaders work collaboratively with a faculty member to lead inclusive, engaging, and supportive weekly group advising meetings and to develop and lead FYF workshops. Student co-leaders also model what it is to be successful in one's academic work and share their wealth of experience and practical knowledge of how to navigate the College. To excel in this role, FYF co-leaders must be academically strong, making good progress in their Plan and advanced work, and have strong social skills and an interest in strengthening their leadership and teaching skills. Co-leaders will be paid a stipend of \$1,900/year. There will be roughly 25 hours of work expected in preterm training and orientation over the summer, and an average of 4 hours of work per week during the term. Applications are due in Handshake by Friday, March 26 by 5 pm. For more information consider attending an information session on Thursday, March 11 at 12:15 pm [at this Zoom link](#).

Just a reminder, Student Parking is available in the Ohio Lot (behind the Student Center) and near the tennis courts and in the Alabama Lot (past the Swan Garage). Parking in front of houses is only for picking up or dropping off passengers or belongings as emergency vehicles need to be able to access these roads. If you have not yet registered your vehicle please bring your driver's license, vehicle registration and proof of insurance to the Campus Safety booth. Once registered you will receive a parking decal to go in the back, driver's side window. Please reach out to Student Life or Campus Safety if you have any questions.

Student Event Calendar. We had more than 30 (!) new additions to the Student Event Calendar last week including Budget and Events Committee Proposal Deadlines, SEA Deadlines, Dance Workshops, Trivia Nights and SUNFEST! Let's continue to make this platform more inclusive, diversified and representative of the work that gets done on campus. [Follow this link for the student event calendar submission form](#) and get your event/club meeting/one off listed today!

Check out the Active Club List for Spring 2021. New listings and updates are added every week to our [campus club roster](#); find out more about campus clubs and how to reach them directly with this very helpful document!

Take the Spring 2021 Student Interest Survey. Looking for ways to get connected on campus (in the community, through clubs and recreation) or just wondering what new initiatives clubs and orgs have up their sleeve for the term ahead? Fill out a [Student Interest Survey](#) and let the Office for Student Engagement send you a personalized list of opportunities and updates. Think of it like a magic 8 ball for co-curricular opportunities on campus!

From the Programming & Activity Council. SUNFEST 2021 is in the works and we would love to hear your thoughts. We hope that this year's event will feature live performances by many student bands/performers and adjacently in another space – performances from outside musicians on a large projected screen. We want to keep the spirit of Sunfest alive by having different activities that could take place alongside the music, maybe featuring campus clubs (Sunfest dodgeball?). What are your ideas for different activities during Sunfest? What would you like to see? Send your thoughts to pac@bennington.edu or dm

us @pacbennington.

Student Event Calendar Tip of the Week: Submitting to the Wider Calendar + Postering.

Opportunities If you haven't submitted to the event calendar there are several very practical features you might not be familiar with yet. 1) Did you know you can choose to submit to the SEC alone, or also have that event pushed to the wider (external) community calendar in the same form? It's a very simple way to reach an audience that extends to alumni, community members and the general public. It also increases the likelihood of @atbennington and other campus social media platforms picking up the story! 2) Did you know the SEC submission form also links you directly to poster distribution when you want it? With one simple process you can have student life postering staff print and distribute your posters for you! It's really as simple as that. How do YOU use the student event calendar? We'd love to hear about it! Feel free to email studentengagement@bennington.edu with your tips and tricks.

Mentors and mentees typically meet remotely on Wednesday or Friday afternoons to build community through shared activities, both in groups and one-on-one. Feel free to check out our website for more information: www.dreamprogram.org. Do you love spending time with kids? Want to learn more about the Bennington area? Ready to become a part of a fun and rewarding community? THEN YOU SHOULD CONSIDER BECOMING A DREAM MENTOR! READY TO APPLY? [Fill out an application!](#) To learn more, feel free to email dream@bennington.edu.

The Emergency Blue Box phone located at the College's North gate entrance is currently out of order. The college is actively reviewing the repair options and we will report back when it is repaired and functional. In the meantime, please call 9-1-1 from any mobile phone for emergencies or call Campus Safety at 802.447.4250 from any mobile phone. The next closest Emergency Blue Box is located in the Dean Carriage parking lot.

Student Life is once again offering coffee and tea to students, faculty and staff! Please come by the Student Life Office in Barn North Mondays – Fridays 9 am – 5 pm and don't forget to bring your own mug! Please social distance and wipe down pots and the fridge when you are done. We are looking forward to seeing many of you!
