Dr. Peter F. Drucker
92 Liberty Street
New York, New York

Dear Dr. Drucker:

I have been embarrassed with riches in the matter of choosing honorary fellows. I am now going ahead to invite three people. Dr. Polanyi is the only one among those you recommended. I am glad to know of the others, however, as we may be able to use them later.

I am going to write you later about the possibility of your coming to Bennington to deliver a talk to the community. What would be a convenient time for you to come up?

Sincerely yours,

JG
