# College Week

## Career Development, Field Work Term, Student Employment

**Come see us!** Find us in Barn 112, just across from Barn North.

### Student Employment

Several campus positions remain, including two positions working with the President's Office: Diversity & Inclusion Intern and Frost House Intern. There are also several off-campus Federal Work Study community engagement positions still available. These positions favor applications with strong materials; if you would like help with your applications, book a resume/cover letter advising session through Handshake. If you have questions about a job, contacting a supervisor, or anything else related to campus work, email [campusjobs@bennington.edu](mailto:campusjobs@bennington.edu) or set up an appointment with Ray on Handshake.

### Field Work Term and Career Development

#### FWT Due Dates: Fall Term 2018

- **Friday, November 9:** FWT registrations due on **Handshake** for site work, independent studies, entrepreneurial options, and professional trainings (no extensions)
- **Friday, December 14:** Last day to add or change an FWT position

#### First Year Students:

- **Resume review:** If you have not already had a resume/cover letter review session, as was expected for all first years by Oct. 12th, you should **book now through Handshake**. Starting out with a strong resume and cover letter is the best way to increase your chances of early Field Work Term hire.
- **Due today (October 15):** All first-year students must set up a Handshake profile and apply to at least one opportunity. Students who already know that they plan on applying for a summer deferral can also skip this step and instead submit a **summer deferral application**. Students who wish to apply to an employer outside of Handshake should indicate that they have done so by emailing [fwt@bennington.edu](mailto:fwt@bennington.edu). Students who already have FWT work secured can skip this step and **register** on Handshake. As you may wish to consider budget factors when registering your FWT, please find more information on funding your FWT by reviewing the Funding Your FWT webpage.

#### New Service: Strengths Assessment

Part of landing a job is knowing and focusing on your strengths. Clifton Strengths for Students is an online self-assessment tool that helps you to see your core talents and how they can help you navigate the world of work. Students who book a Career Exploration appointment on Handshake will be emailed a free access code.

#### Handshake tip of the week

From your Handshake home page, check out the Recommended By Your Career Center job collection. Here we've highlighted a collection of postings that we think may be particularly appealing, including paid FWT positions, positions in science and technology, and positions with prestigious employers.

## Tech Tip of the Week

Keyboard shortcuts have been around for decades, but it most people don't know about them. They can save time and make tasks simpler. Copy a whole page (CTRL + A), Look up a synonym (SHIRT + F7), or Go back to the previous web page (ALT + Left Arrow). On the Mac side, most of the commands are possible with help from the Command key instead of CTRL. Check out the 22 best keyboard shortcut: <https://www.laptopmag.com/articles/best-keyboard-shortcuts>.

Follow the Tech Tip of the Week collection on Google Plus for more information and access to archived tips.

## Health Promotion

Tuesday, October 16 at 7:30 pm, in the UpCaf, we will be holding a Processing Circle relating to the recent event of Judge Brett Kavanaugh being added to the Supreme Court. Please feel free to join us for support, solidarity and action. Contact me if you have any questions.

Wednesday evenings from 8:15 - 9:15 pm in the Student Health Center's Health Resource room we are holding a sexual assault support group. Please join us, this group is CONFIDENTIAL.
