Dear Deborah,

Sorry, I neglected to tell you that the current Secretary of the Dance Division is Jo Wittman. He is taking care of all the stuff there for this year while I am on leave. I sent him your letter. I'm not surprised he hasn't answered you yet, as outside guests is usually the last thing brought up at meetings. I forget who the secretary of the Music Division is this year, but if you or Pauline write to Music Division Secretary at Bennington, it will get there.

At the end of the summer I tried desperately to get in touch with you, as I was getting an ERRATA sheet done for the Judson catalog, and someone told me I should change the title of ~~xxx~~ cat. no. 50. ~~xxxxxx~~ It must have been either Sally Banes or Yvonne Rainer who helped me out in the end. Enclosed are several errata sheets for you and your catalogs.

The videotapes that the Dance Collection of Lincoln Center Library shot are in the process of being edited. A copy goes to the artist when it's done, so you'll be hearing about that. Also, the video interviews that we did are to be distributed by the Kitchen, the arrangements for which are being negotiated now. All this takes time. (The artists will get a small percentage of the rental fees on the ~~xxxxxxx~~ interview tapes.)

Good luck with your work with Pauline.
