Mr. Robert L. Smith
Eastern Cooperative League
135 Kent Avenue
Brooklyn, New York

Dear Mr. Smith:

We appreciate your letter of the 21st regarding the Circuit Riding Program, and are very much interested in this new project of the Eastern Cooperative League. We understand from your letter that the majority of the groups participating will be grocery stores. In such a group our delegates would have very little to contribute to the discussion, and, therefore, we will not plan to send delegates to the meeting of November 10 in Schenectady.

If in the future you ever plan a conference of college co-ops, or of cooperatives whose problems might be similar to ours, we should be most interested in participating.

Yours very truly,

Frances Berna
President, Board of Directors
