Dr. Frederick Burkhardt, President
Bennington College
Bennington, Vt.

Dear Dr. Burkhardt:

Home again, I think with great pleasure of my stay at your college. I enjoyed the symposium, and was particularly happy to meet Mr. and Mrs. Dorner and exchanging with them many common memories. I am so sorry that I could not stay with Prof. Fowlie.

As soon as I have found a reprint of the Architect. Forum regarding my "Universal Theater", I shall forward it to you. It is one of several schemes which might be of interest to you.

I do hope you will give me the pleasure of visiting my studio when you are in New York. The Galaxies, returned a short while ago from the Houston Museum, are up again.

Thanks once more for your cordial invitation.

Very sincerely yours,

Frederick J. Kiesler
