Bennington, Vermont

Dear Mr. Bloustein,

This is to inform you that the Senior Class Gift has been turned over to the Business Office, by way of the President's Fund. This sum (totalling \$185.00) is given by thirty-one graduating seniors with the stipulation that it be used for library books which are to be chosen by the Faculty Library Committee. It has been further specified that the sum should be spent as evenly as possible among the various divisions.
