190 Sixth Ave.  
New York, N.Y. 10012

Dear Wendy,

Congratulations and many thanks for the difficult job of the Judson Project. In particular for the video work and the quality of Tony's interviews.

Knowing how difficult these large projects are to organize and bring to conclusion and completion, please accept my appreciation and wishes for a long lasting benefit to you and to Bennington.

Cordially yours

Elaine Summers  
Artistic Director
