Dear Gene:

In December 1981 Jules Olitski gifted the following works to Bennington College:

- 1- "Night of No Cheer" - by Stanley Boxer,
74" x 58"
- 2- "Untitled" - by Hans Hoffman,
14" x 12"
- 3- "Untitled" - by Larry Poons,
76½" x 42"

While the IRS was furnished with appraisals of the Art Dealers Association, they have requested a letter confirming that the College received these paintings as gifts.

The letter should be addressed to me and should state:

"Dear Mr. Hecht:

This will confirm that Bennington College, in December 1981, received the following paintings as gifts from Jules Olitski."

If you have any questions, please give me a call.

With best regards.

Sincerely,

HECHT AND COMPANY, P.C.

Michael Hecht
