

Sept 21 83

Hi-

Spoke on phone with Barbara Osborn at Kitchen - will meet with her early Oct.

Kitchen have new catalogue coming out Jan 84, which we will be in time for -

Alex O'Leary is talking about showing some of the material + Grand Vain at Kitchen April 84 - (u probably know about this).

I enclose draft letter to go to all our victims - correct as u see fit.

I also re-visited Louisa Internix and really feel Internix is best for the post-production work - cost is comparable \$35 per hour work Technician. B. Osborn also feels Internix is best bet -

We will re-do titles so they conform in look - will send you a listing soon.
