

Bennington College  
March 2, 1942

The Recreation Council met on March 2, 1942

There were no absences.

The following reports were given. They will appear in the full Council report to be typed or mimeographed at a later date..

Treasurer's report  
Entertainment Committee report  
Dance Committee Report  
Athletic Committee report

Hockey: It was generally felt that the unusual amount of money invested in equipment, and time spent in stimulating this one of few College group sports was well worth while.. Susan Bailey, <sup>suggested</sup> that soccer might be offered next Fall. An objection was raised to the effect that soccer might ruin the lawn.. Mr Whittinghill ~~stated~~ that the lawn is there for moderate use and soccer might be feasible. It is suggested that the incoming Council investigate this possibility..

Respectfully submitted,,

Annette Kolin
