Mrs. Hall Park McCullough
North Bennington, Vermont

Dear Mrs. McCullough,

I know you will be very glad to read this letter from Dr. Kilpatrick. When you are through with it I should appreciate your returning it to me as it is an only copy. If you like, I shall be happy to have copies made for you.

I enjoyed my visit the other afternoon and hope it will not be long before I see you and Mr. McCullough again.

Yours sincerely,

Frederick Burkhardt
