I would also like to thank Tom Bogdan, without him I don't think this concert would have happened. Thank you to Kitty Brazelton and Nick Brooke for always being there for me. I also want to thank my amazing family and friends for keeping me going. I would like to thank the whole music department for giving me a chance to have this show. Thank you to Julian Chapman for running sound and everyone else who set up for this show tonight. And thank you to Michael Zimmer for video taping this event. Thank you to Liz Sculley for letting me share this lovely evening with her. Thank you all for coming to this show, it means so much to me to share this with you all.
