

DANCE WORKSHOP

Time: Thursday, October 7th at 4:30 p.m.

Place: Theatre

COMMON PROJECT

Each student will prepare a short solo as well as collaborate on a duet, trio, quartet, or small group dance in one of the following Romantic Period forms:

- 2/4 - polka or galop
- 3/4 - waltz, mazurka, polonaise
- 4/4 - schottische

If your group is doing a polka, choose another form for your solo. It is suggested that you compose the dance in regular phrase lengths of four measures to a phrase, eight measures to a period, and further, that you compose them so that they can have an improvised accompaniment. However, if you wish, you may compose them to a certain piece of music or phonograph recording.

For this Workshop, we would like to see all dances in progress for criticism.
