MESSIAEN

* This Concert is being presented in partial fulfillment of the requirements for the Bachelor of Arts Degree.

AMOUR, MON COEUR LANGUIT

Love, my heart longs, day and night
For that meeting with you...
That meeting which is like the
All-devouring death...

Like a storm
Sweep me away
Take from me everything I own
Break my sleep in two and ravish my dreams
Steal my world.

When all is devastated
When all is stripped bare
In that beauty let us at last unite.

Alas, my poor vain desire!
Where is this hope of union
Except in thee?
My God.

DEUX MELODIES HEBRAIQUES

I. KADDISCH

Magnified and santified be His Great Name
In the world which He hath created according
To His will.
May He establish His kingdom during your
Life and during your days, and during
The life of all the House of Israel,
Even speedily and at a near time.
And say ye, Amen.

Let His Great Name be blessed forever and
To all eternity,
Blessed, Praised and Glorified,
Exalted, Extolled and Honored,
Magnified and Lauded be the Name of
The Holy One,
Blessed be He; though He be high above all
The Blessings and Hymns, Praises and Consolations
Which are uttered in the world;
And say ye, Amen!

II. L'ENIGME ETERNELLE

The world asks the old question
Tra La La La La La La
One Replies Tra La La La La La La
And if one cannot reply Tra La La La La La
The world asks the old question
Tra La La La La La La

AMOUR OISEAU D'ETOILE

Star Bird,
Your eye sings.
Your head inverted
Under the sky...

Your star eye.
Falling chains
Towards the stars
Shorter way from the shadows
To the sky.

All the star birds
Far from the scene my hands
Sing,

STAR...

Increased silence of the sky...
My hands, your eye, your neck
The sky.

Special Thanks to: Annegret Nagel and Jean Luc Ega for help in translation,
To Henry Brant for the use of his studio,
To Frank Baker for being himself.
