

IMPORTANT NOTICE TO ALL SENIORS !!!

As you doubtless know, the Trustees have made a ruling that no student may be granted a degree from the College until she has fully met her financial obligations in the College and in the town. To assist the College in carrying out this ruling the Bennington Chamber of Commerce has agreed to furnish the Comptroller with a list of any seniors who have unpaid accounts in town. To avoid last minute embarrassment to the College and to yourself will you please see that all your College bills and all bills owed to local merchants or individuals, such as department stores, garages, filling stations, restaurants, dressmakers, laundresses, dry cleaners, etc., are paid before Thursday, June 4th.

Myra H. Jones  
Comptroller
