Wendy - Plans

I Think we should try to get T. H. Hink
Mc Dowell up in April - Also if possible Philip
Conner to balance out the over-view!!

Financially looks thus! -

Steve, Lisa - 2,000

Yvonne, Trisha - 1,800

3,800

If we could get Mc Dowell and Conner for 600 each this would
put the total to 5,000. I would also like to find
\$450 for Carl Mc Dowell to be available for the 2 weeks
as Tech Assistant - Thus Bringing total to 5,450:-
(say 5,500)

If this we have

1,000	via David
500	via T.C.
500	via source promised to me
<u>2,000</u>	

We thus would need to raise a further - \$750.00
in order for Murphy to match 2,750 - I intend to
write to 3 or 4 ex-students who are making it in
the real world - and ask for donations - if we get 3 at

2

\$300 each we would be over the top!

(Also think Carol would do it for 400 - she
giving us some extra expense cash).

Also - think (if money comes thru for it)
that P. Moore & Babette should share a week - 3 days
and 3 days - I'm convinced that a 2 week workshop
won't carry - (or get enough enrollment).

- Not a think - Eth!

We will be in NYC JAN 15th - good
response from video critters - mostly want to
do it - some still to reply -

Chus again
