

You and your parents
are cordially invited to attend
the annual Bennington College

APPLICANT'S DAY

on Sunday, April 5, 1987, from 9 a.m. to 4:30 p.m.

Traditionally, the College sets aside a day in the Spring when prospective students visit campus to gain a better understanding of the opportunities available at Bennington. Applicant's Day enables students to explore the College both academically and socially.

We hope you will take advantage of this time to learn more about Bennington. We also encourage parents to attend so their special concerns can be addressed as directly as possible. You may arrive on Saturday and spend the night on campus with a Bennington student-host, during which time you are free to attend productions, concerts, movies and other events normally offered on an evening at the College.
