COMMUNITY COUNCIL MEETING, TUESDAY, SEPTEMBER 30th, 1941

The Community Council met in the committee dining room on Tuesday, September 30th. Present were: Ann Mills, chairman; Lucile Bloch; Teressa Blumberg; Theodora Boothby; Marcetot Brush; Faith Colgan; Muriel Cummings; Anna Frothingham; Nancy Merrill; Eleanor Metcalf; Priscilla Sherman; Edith Stevens; Mrs. Garrett; Mr. McCamy and Mr. Tucker.

MURALS AT THE CARRIAGE BARN

Mr. Jones sent a message to the Council suggesting that the murals be removed. He said that it was a College policy that student work not remain more than one year and since that time had expired he asked the Council to recommend their removal. The Council agreed with Mr. Jones and with the permission of the Recreation Council they will be taken down.

GENERAL COMMITTEE

The Central Committee reminded the Council of two points. One that if they have any problems in the house they should go to Mrs. Garrett and two, if they had a problem for the Central Committee that they should ask to come to the meeting. They also told the Council that they would like reports at the end of October on the students in the house. The Central Committee felt that they could handle problems better later on in the year if they knew something about the girls.

FACULTY AT HOUSE MEETINGS

Mrs. Garrett reminded the Council that a great many faculty house advisors lived off campus and that a 10:00 meeting was very hard for them to get to. It was suggested that when an important meeting came up at which the house chairman would like to have the faculty member present, that the meeting be held at 7:30 so that the faculty could come. Other meetings, not so important could be held at 10:00 but that was left up to the individual house and house chairman.

Respectfully Submitted
