

THE BENNINGTON COLLEGE MUSIC DIVISION
PROUDLY PRESENTS,

In association with the National Guild of Dental
People who know other Dental People,

A FILLING CONCERT
With Michael Johnson and John Blum.

Wednesday
March 27, 1991

8:15 p.m.
Carriage Barn

I. The First Piece.

-----=====Extremely Brief Intermission=====

II. The Second Piece. (Which is not as long as the first piece.)

This concert represents a concerted effort to summon the Space Aliens by the various associations and guilds present. There will be a reception upstairs afterward (for both humans and aliens alike.) Any references to dentistry or dentists (either living or otherwise) is strictly a coincidence, and does not necessarily reflect the opinions or views of the of the International Dentistry Ministry for Gnashing Teeth Together and Making Strange Barking Noises Late at Night.
