Attention ! Openings are now available for working with English classes at Bennington's junior and senior high schools. Would you be willing to give a few hours a week to work with one of the following classes ?

- (1) Shakespeare's poetry. A tenth grade class which has just completed a study of Hamlet would like to discuss Shakespeare's poetry, particularly the sonnets.
- (2) Remedial reading. Help is urgently needed in all grades at the senior high building.
- (3) Play-writing. Teaching the writing of the one-act play to a creative writing class at the senior high.
- (4) Play production. At the junior high building: help is needed twice a week.

If you are willing to help with any of the above projects, please fill in the form below and put it in box 106 as soon as possible. The program at the Mount Anthony schools provides many benefits for us as well as the local students; please give it your support.
