

APPEALS REFFERED TO THE NEXT COMMITTEE

RECEIVED February 24, 1941

From the Brooklyn School, Vermont:

Appeal for money to help finance their dental clinic, they spent \$250 on it last year, and, having more children to take care of this year, plus upping their budget to \$300, need financial aid.

Appeal came through Mrs. Jessie Reed

No. Branch St.

Bennington, Vermont

R. F. D. 2

Tel. 486J

Mrs. Phillips, of Old Bennington, who knew about the appeal, did not recommend it, saying that she believed that the money should be raised by the school board itself, and not from us, although the school is in a poor district.

From H.W.Lorenz.

For the Community Club for boys and girls in both Bennington and North Bennington.
